GKB Diplomat IP Solution Secures RM Food, Inc in Philippines

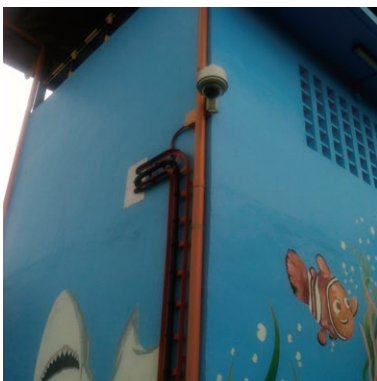

Background

RM Food Inc., located in the heart of Industrial area of Pulilan Bulacan, Philippines, is the biggest toll packer company in Philippine. RM food, Inc. operates a 2 hectare factory that serves a repacking business for one of the largest consumer brands, Nestle Philippines. With its important role and large scale in Philippine, RM Foods Inc. requires high surveillance sensitivity to secure the logistics area, surrounding of plant and the daily operation of the plant from anywhere. The manager of the organization decided to install IP cameras. GKB Diplomat IP Solutions, with efficient management of large integrated base watch platform and outstanding quality, became RM Food’s first choice.

Solutions

After a careful inspection of the RM’s plant and professional consultation, GKB offers a comprehensive IP solution to meet their requirements. GKB provides 720P High Definition Speed Dome with waterproof and vandal-resistant installed in back of factory premises. The logistical area is placed 1080P Outdoor Bullet Camera to view clearly while the product has been shipped. In addition, RM food, Inc. will place cameras in the front of factory and later install in the production area.

In the face of the future demand of expandable installation plan, GKB offers free NVR 10, which supports live view & recording up to 64 CH to help the owners manage their cameras easily and efficiently. GKB also provides exclusive Cloud NVR for users to remotely manage and monitor the clear footage via IE, Chrome, Firefox browser as well as Smartphone tablets.

Benefits

- A solution is flexible and cost-saving**
 One of the most attractive points of the GKB Diplomat IP solution is to be able to respond to the future changes and plant expansion with very low cost involved without any license fee.
- See Clear and Clever from anywhere!**
 Cloud NVR can remotely monitor and manage cameras by any devices. View live and recorded video from any location. Log in is as simple as entering your username and password on the cloud service. RM food, Inc can remotely manage IP cameras easier than ever. GKB IP sales expects to provide more security support to RM Food in the future.
